Give Proper Notice.)	AND CLOSING DOCKET

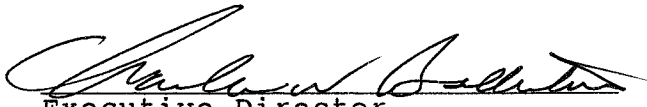

This matter is before the Public Service Commission of South Carolina (the Commission) on the Commission Staff's (the Staff's) request to dismiss the Rule to Show Cause hearing scheduled for February 26, 1992. The Staff asserts it initially petitioned the Commission for a Rule to Show Cause against Midlands Utility, Inc. (Midlands or the Company) in order for the Company to establish it had properly notified its customers in the Darby Place Subdivision prior to disconnection of their sewer service for non-payment of sewer tap fees. The Staff contends that since issuance of Order No. 92-33 (January 21, 1992) it has received documentation which indicates that the sewer tap fees for all occupied homes in the Darby Place Subdivision have been paid. Accordingly, the Staff asserts that the Rule to Show Cause hearing is no longer necessary.

Based upon the assertions in the Motion to Dismiss, the Commission grants the Staff's Motion to Dismiss. Consequently, the Rule to Show Cause scheduled for February 26, 1992, is hereby cancelled and the docket in this matter is closed.

IT IS SO ORDERED.
